GUILLAUME SIMONEAU

Guillaume Simoneau is recognized for the candour, subtle delicacy and authenticity of his work. He enjoys navigating varied spaces - in studio or in the field, or anywhere in between – approaching each subject poetically and with tremendous sensitivity. He deftly synthesizes the most complex situations and captures the ephemeral imposed by photography with an honesty all his own. His commercial portfolio is made up of captivating portraits, dynamic landscapes and ads that tug at the heartstrings – all of them rooted in a modern documentary aesthetic. This versatile photographer adapts his visual signature to the context, so every shot captures the moment in which honesty, self-assurance and subtle delicacy converge to tell a story. His art, which is recognized internationally, can be found in collections at a growing number of institutions. His Love and War series, shortlisted for the European Publishers Award for *Photography* and the *First Book Award*, was on exhibit at the Museum of Contemporary Photography in Chicago and the monograph was published by Dewi Lewis (UK) in 2013. The monograph for his new body of work, Experimental Lake, was put out this year by MACK (UK), the leading publisher of contemporary photography.

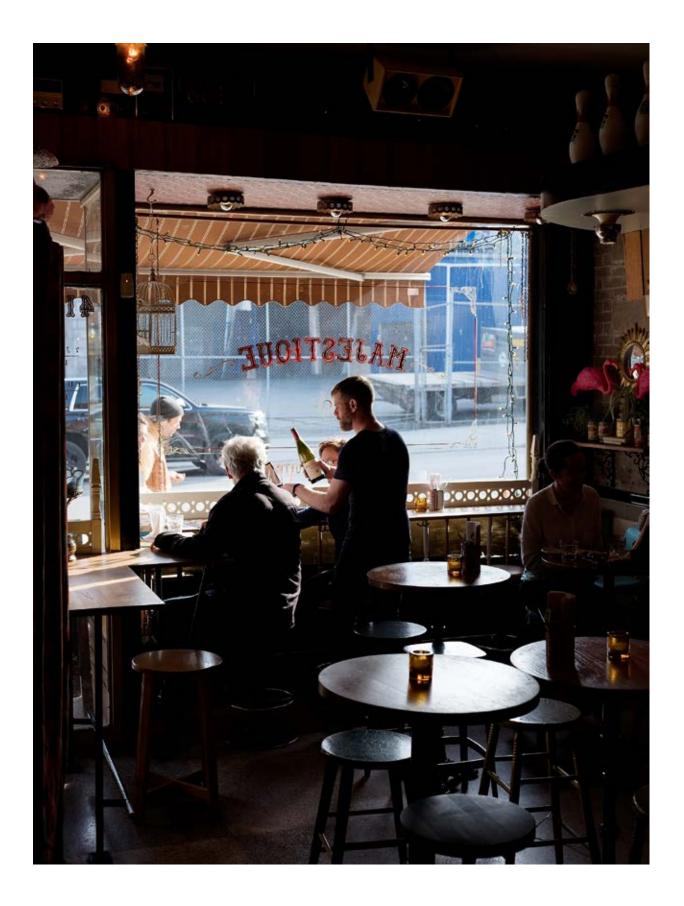

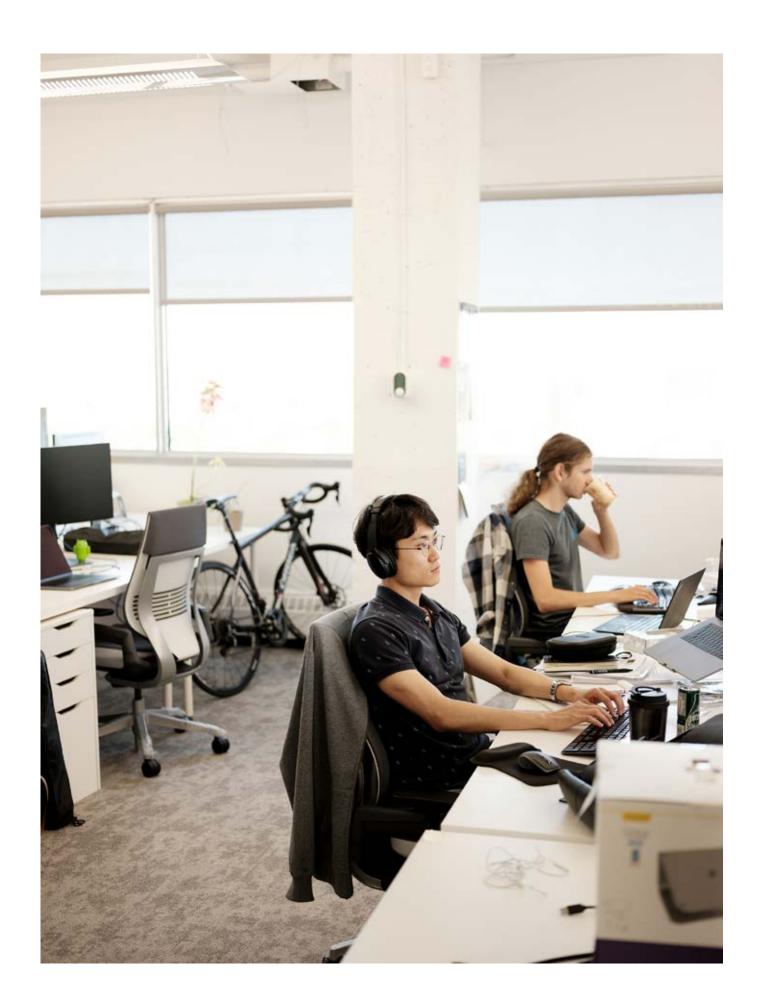

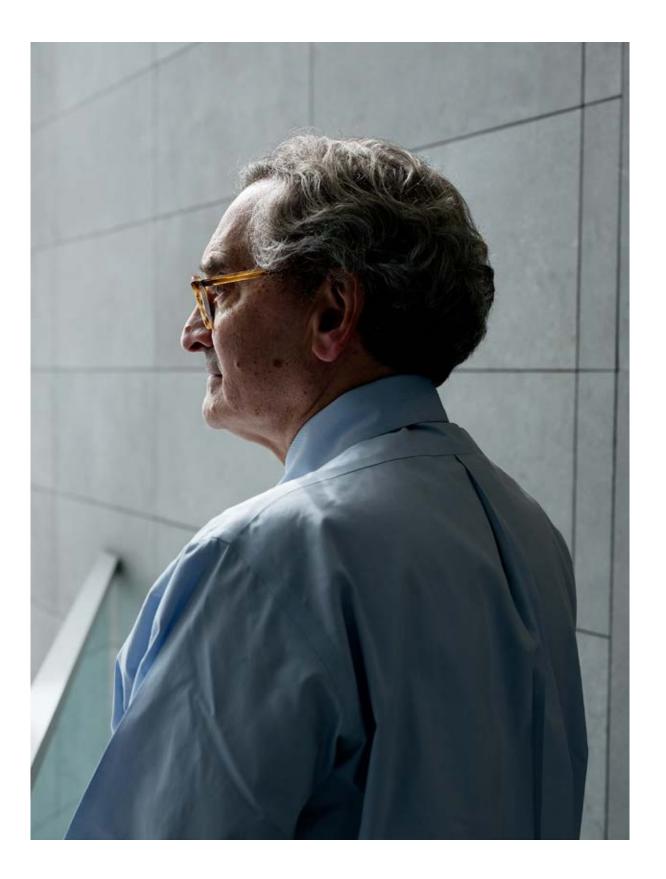

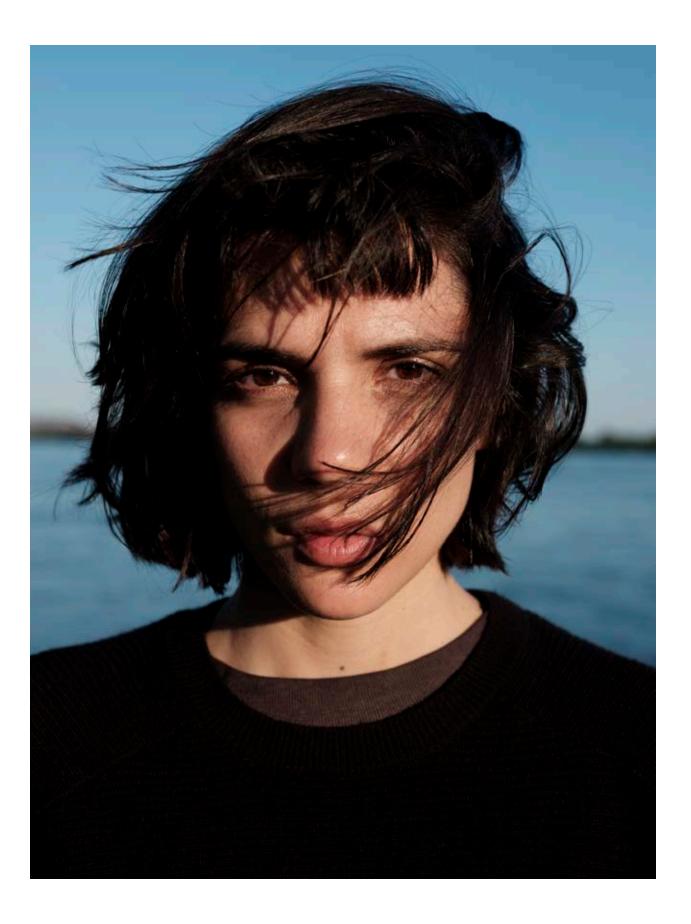

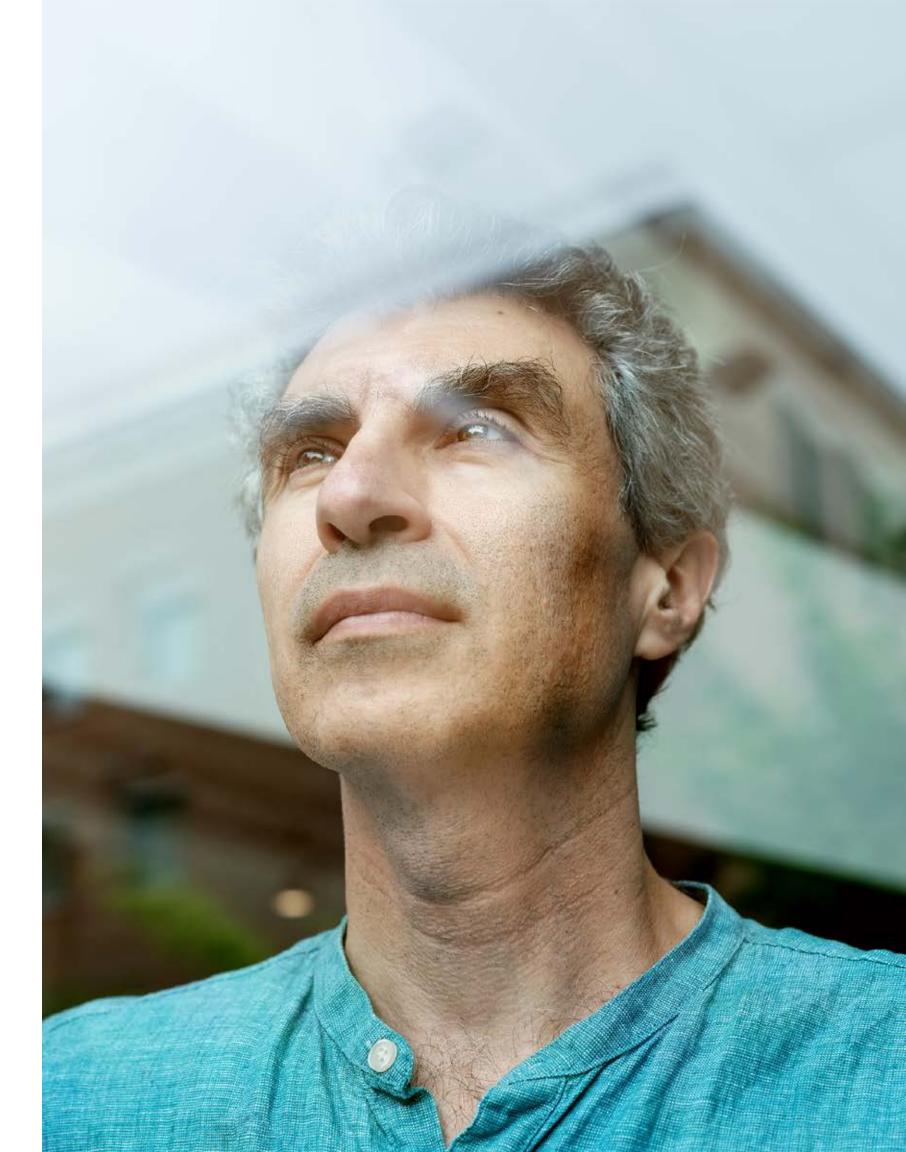

未来を生きる子どもに、 どんな世界を贈れるだろう。

私たちの子どもが、そして、その子どもたちがいつまでも、 昨日よりもっといい世界で目覚めることができたら。 そんな未来を想像してみませんか。 世界中のいたるところで、豊かな水と クリーンエネルギーがあふれ、道路は渋滞することなく、 誰もが一人ひとりに合った医療を受けられる。 日立は、それをけっして夢ではなく、 社会イノベーションでかなえる未来と考えています。 すでに動き出しているのは、電力や水や交通などの 異なるインフラをITでつなぐことで、資源のムダをなくし、 社会状況の変化にも柔軟に対応して進化し続けるシステムづくり。 これも、世界をより豊かにするための取り組みの一つです。 私たちが想像できる暮らしは、きっと、実現できるはず。 未来への、かけがえのない贈り物をしたいのです。

それが、日立の社会イノベーション。
